shall not be invoiced nor paid until specifically authorized by the Contracting Officer in a modification to this task order, issued after the completed quarter, authorizing the amount to be paid, as determined by the government Performance Incentive Determining official, for each of the quarters as follows: 1) May 2007 - July 2007; 2) August 2007 - October 2007; 3) November 2007 - January 2008; and 4) February 2008 - April 2008. The performance incentives awarded in the modification shall be invoiced in a separate invoice.

Accordingly, for the first quarter of this task order (May 2007 - July 2007), the government Performance Incentive Determining official has determined that the Monthly Performance Incentive for Performance Measures 1 - 4 resulted in Robbins-Gioia earning a Performance Incentive in the total quarterly amount of (b) (4) per the procedures in the basic task order Statement of Work. The maximum amounts for the first quarter are specified in the basic task order Performance Incentive Matrix of 4/30/2007. The maximum available Performance Incentive amount for the first quarter for Performance Measures 1 - 4 was (b) (4)

As a result of the determination by the government Performance Incentive Determining official, the first quarter Performance Incentive is definitized in the amount of (b) (4) Robbins-Gioia is hereby authorized to invoice and to be paid (b) (4) as the first quarter Performance Incentive.

This modification is at no additional cost to the government. Funding for the performance incentive payment authorized by this modification was included in the basic task order funding.

All other terms and conditions of the task order remain unchanged.
