Dear Ms. Bryant:

I am forwarding to you a copy of a letter from [redacted] concerning compensation for tariff misclassification of [redacted].

It is the desire of this office to be responsive to all inquiries and communications. I respectfully ask for your assistance in resolving the issues outlined in this correspondence.

If compensation for [redacted] losses cannot be made, I would like to arrange for a meeting with the Customs OGC to find out the agency's policy on these matters and the legal basis for this policy. Please respond by contacting Mark S. Sternman of my Boston staff.

I thank you for your cooperation.

Sincerely,

John F. Kerry
