Regrettably, at the present time there are no vacancies in the Boston area that are compatible with [redacted] grade and professional qualifications. The immediate prospects for suitable positions is uncertain, and will depend in some measure on the duration of budget and employment constraints currently in effect throughout Customs. However, should positions become available later in the year, we encourage [redacted] to submit an updated application, including a copy of [redacted] most recent Employee Performance Appraisal System (EPAS) rating.

In addition to submitting applications for announced vacancies, [redacted] may file written requests for a reassignment directly with the U.S. Customs Service District Directors in the districts of [redacted] choice. A written request must include a current Personal Qualification Statement (SP-171) and a copy of his most recent EPAS rating.

Please be assured that [redacted] as well as all other eligible and qualified applicants, will receive full and fair consideration for voluntary reassignment requests.

If we can be of further assistance, please feel free to call on us.
