CBP-2019-011242	(b)(6)	I am seeking statistics on the nationalities of the individuals who were subject to expedited removal at San Ysidro Port of Entry from 2000-2003 who were allowed to withdraw their applications for entry into the United States. In February 2005 a Study on Asylum Seekers in Expedited Removal was published. Statistics showed that from 2000-2003 at the San Ysidro Port of Entry 92,838 people were allowed to withdraw their applications for entry. These statistics were not broken down by country of citizenship. I am looking for the breakdowns by country of citizenship. Contact:	11/15/2018
