7.1.7 Any search of the vehicle or its contents will be conducted only upon probably cause, consent, or other applicable Fourth Amendment exception (including border search), that may be available depending upon the circumstances of the encounter. In any search, caution shall be exercised when examining the contents of any baggage or package in the possession of the suspected terrorist. If a suspicious device or substance is encountered during the examination, the Agent shall take all precautions to avoid detonation of the device or exposure to the substance. National and local HAZMAT and bomb response protocol shall be followed.
