Government Furnished Equipment/Materials

At such time that GA-ASI provides notification to CBP of readiness to complete Acceptance Testing for the items under this contract, it is assumed the following Government Furnished Equipment (GFE) will be made available to GA-ASI as required/requested to complete acceptance testing. At the time of request if it is recommended by GA-ASI for CBP to provide the necessary GFE at Contractors Facility Grey Butte, CBP retains the right to determine that the ATP shall take place at a location other than Contractors Facility – Grey Butte. If that determination is made, the costs associated will be provided to CBP and a contract modification will be negotiated and issued in order to comply with CBP request.

- 1. CBP configured Unmanned Aircraft (UHS97000-5)**
